Waterborne & Solvent paints

- #48475 1/16" x 60yd (12 rolls per box)
- #48480 1/8" x 60yd (12 rolls per box)
- #48485 1/4" x 60yd (12 rolls per box)
- #48490 1/2" x 60yd ( 6 rolls per box)

La rouge ProBand is a new generation fineline tape, specifically designed for use with all waterborne paint systems, including airbrush paints.

The tape is extremely thin with low edge (no paint buildup) and "easy release" from painted surface (no adhesive transfer, residue or paint delamination).

La rouge also performs very well with low VOC, solvent based paints.
